**IMPORTANT RECALL INFORMATION #251021REV
DECEMBER 2025
NHTSA #25V718 / TC #2025-6606**

**TO: ALL REV RECREATION GROUP DEALER PRINCIPALS,
SERVICE MANAGERS AND PARTS MANAGERS**

**SUBJECT: RECALL CAMPAIGN #251021REV – LP COMPARTMENT DOOR
PADDLE LATCH**

REV Recreation Group, Inc., (RRG) on behalf of its manufacturing center located in Decatur, Indiana, is requesting your assistance in conducting a voluntary recall notification campaign in accordance with the United States National Traffic and Motor Vehicle Safety Act and the Motor Vehicle Safety Act.

REV Recreation Group, Inc. has decided that a safety defect relating to motor vehicle safety exists on certain Fleetwood Fortis and Holiday Rambler Invicta brand Class A motorhomes:

Fleetwood Products

Model Year(s) 2024-2026 Fortis

Holiday Rambler Products

Model Year(s) 2024-2026 Invicta

Manufactured date range

April 17, 2023 – November 07, 2025

Manufactured date range

April 12, 2023 – November 19, 2025

We are notifying the owners of the affected vehicles in order to correct the problem outline below. Copies of the U.S. owner notification letters and Service Bulletin are attached for your information.

WHAT IS THE PROBLEM?

On motorhomes affected by this recall campaign, Lippert supplied RRG with non-locking compartment door paddle latches used on certain 2024-2026 model year Fleetwood Fortis and Holiday Rambler Invicta motor homes. These latches were installed on liquid propane (LP) compartment doors and may lock unintentionally. This could delay access to the LP system and increase the risk of fire or injury.

WHAT SHOULD YOU DO?

Stock units must not be sold until the recall has been completed.

Owners of the above mentioned motorhomes have been asked to contact an authorized RRG dealer to have the defect described remedied.

In the event that you are contacted by a customer, please verify eligibility by referring to the serial number range listed in the attached **Recall Service Bulletin #251021REV** prior to beginning repairs. Contact REV RV Technical Support at (800) 816-9825 for repair authorization, and REV RV Parts at (800) 509-3417 to order replacement parts for this campaign.

Once repairs have been completed according to **Recall Service Bulletin #251021REV**, have the customer sign your dealership's **Internal Repair Order**. Warranty labor claims are to be submitted electronically to REV Recreation Group. **Customers will not be charged for these repairs.**

*If you have one of these vehicles in your inventory, you will be mailed a Safety Recall Notice for that specific motorhome. **REV Recreation Group dealers are required to make repairs to stock units on dealer lots prior to sale or lease.***

Federal Law (Section 154 of the National Highway Traffic and Motor Vehicle Safety Act) of 1966 requires that: If you have received a notice of recall or failure to comply from REV Recreation Group, Inc. or any component manufacturer, you must repair or otherwise correct the defect on vehicles remaining in your inventory according to the notification before selling or leasing the vehicles. Any vehicle lessor receiving this recall notice must forward a copy of the notice to the lessee within ten days.

Please carefully review this entire package with your parts and service staff to familiarize them with the step-by-step procedure and implement the Voluntary Recall Campaign.

Thank you for helping REV Recreation Group with its continuing efforts to maintain customer satisfaction. If you have any questions, please contact your REV Recreation Group Service Center.

Sincerely,

REV RECREATION GROUP, INC.
