**SUBJECT: NEW VEHICLE DEMONSTRATION / DELIVERY HOLD - Advance Notice
Safety Recall 25SB4
Certain 2026 Model Year Econoline Vehicles
Blower Motor Replacement**

AFFECTED VEHICLES

Vehicle	Model Year	Assembly Plant	Build Dates
Econoline	2026	Ohio Assembly Plant	April 1, 2025 through June 5, 2025

US population of affected vehicles: 6,898. Affected vehicles are identified in OASIS and FSA VIN Lists.

REASON FOR THIS SAFETY RECALL

In all of the affected vehicles, customers may experience an inoperable Heating, Ventilating, and Air Conditioning (HVAC) blower motor which may prevent proper windshield defrost and defogging capability. The lack of a functioning windshield defrosting and defogging system may decrease the driver's visibility under certain driving conditions, increasing the risk of a crash. The customer may notice a loud noise or partial loss of HVAC temperature controls.

SERVICE ACTION

DO NOT DEMONSTRATE OR DELIVER any new in-stock vehicles involved in this safety recall. For new vehicle storage guidelines, refer to EFC13033, Storage Guidelines for New Vehicles.

A complete Dealer Bulletin will be provided to dealers in Q1 of 2026 when it is anticipated that a remedy including repair instructions will be available to support this safety recall.

IMPORTANT: Dealers should open a Repair Order (RO) only when a full dealer bulletin is published. Opening an RO against an Awareness or Advance Notice will result in warranty rejections against a recall.

OWNER NOTIFICATION

Owners of record will be notified via first-class mail within sixty days, which may occur before remedy availability including repair instructions have been provided to dealers.

PLEASE NOTE:

Federal law requires dealers to complete this recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty of up to \$27,168 per vehicle. Correct all vehicles in your new vehicle inventory prior to delivery.

DEALER-OPERATED RENTAL VEHICLES

The Fixing America's Surface Transportation (FAST) Act law effective June 2016 prohibits a rental company from selling, renting or leasing vehicles subject to a safety recall. Please consult your legal counsel for legal advice.
