Over The Air (OTA) Programming Removed

Models: 2024-2026 GMC Canyon

This bulletin has been revised to remove references to over the air (OTA) programming, as vehicles will need to be reprogrammed at the dealer. Please discard all previous copies of bulletin N252533510.

THIS IS A PHASED LAUNCH.

Software is available for the 2026 model year GMC Canyon. These vehicles were placed in an "Open" status in IVH on December 11, 2025.

Software is NOT yet available for the 2024-2025 model year GMC Canyon. These vehicles were placed in "Incomplete. Remedy Not Available" status in IVH on December 11, 2025, and are on stop delivery until the software becomes available. Once software is available, this bulletin will be revised, and Floor Plan and Working Capital Assistance Program (WCAP) Reimbursement may be added.
