Urgent

Subject: **BMW Recall 25V-xxx: B+ Battery Cable Connection**

BMW AG is conducting a Voluntary Safety Recall (effective December 23, 2025) on a small number of Model Year 2025 BMW vehicles that were produced on August 28, 2025.

This safety recall involves the positive battery cable connection. It may not have been assembled to specifications and, therefore, could lead to vehicle stalling or, in an extreme case, a thermal event.

The Recall Notice and FAQ have been attached for further information.

The bulletin will be updated when additional information becomes available.

Sincerely,

Technical Service

SAFETY RECALL NOTICE

To: All Center Operators, Sales Managers, Service Managers, Parts Managers and Warranty Processors

RE: Recall 25V-xxx: B+ Battery Cable Connection - B61 25 25

BMW AG is conducting a Voluntary Safety Recall (effective December 23, 2025) on a small number of Model Year 2025 BMW vehicles that were produced on August 28, 2025.

Please be reminded that it is a violation of federal law (The Safety Act) for you to sell, lease or deliver any new motor vehicle covered by this notification until the recall repair has been performed. This means that Centers may not legally deliver new motor vehicles to consumers until they are fixed or use/sell replacement equipment/parts subject to this recall. Note also that substantial civil penalties apply to violations of the Safety Act.

Also, you should not sell, lease or deliver any Certified Pre-Owned or used vehicles subject to a safety recall until the repair is completed.

Please follow any special instructions that we provide to you for the return or disposition of recall parts.

We appreciate all your assistance with this Recall.

Model Year 2025
BMW i4

Q1. Which BMW models in the US are potentially affected by this Safety Recall?

Certain Model Year 2025 BMW i4 models in the US are potentially affected.

Q2. What is the specific issue?

This safety recall involves the positive battery cable connection. It may not have been assembled to specifications and, therefore, could lead to vehicle stalling or, in an extreme case, a thermal event.

Q3. Why are other models / vehicles not included in this Safety Recall?

Other models have a positive battery cable connection that was assembled to specifications.

Q4. Can I continue to drive my vehicle?

Yes. However, when you are notified by BMW of this Safety Recall that a remedy is available, please contact an authorized BMW center to schedule an appointment as soon as possible. For the latest updates to this Safety Recall, please visit [bmwusa.com/recall](https://www.bmwusa.com/recall). **If you are not the only driver of this vehicle, please advise all other drivers of this important information.**

Q5. How did BMW become aware of the issue?

BMW became aware of the issue through its quality control procedures.

Q6. How will I be informed of this Safety Recall?

Owners of potentially affected vehicles will be notified via First Class mail advising them of this Safety Recall and to schedule an appointment with an authorized BMW center as soon as possible to have the remedy performed. To locate your nearest authorized BMW center, please visit [bmwusa.com/dealer](https://www.bmwusa.com/dealer).

To ensure BMW has the most up-to-date contact and vehicle information, owners should register their vehicle at [bmwusa.com/myBMW](https://www.bmwusa.com/myBMW). Registration is free and will give them access to other information specific for their BMW vehicle. Alternatively, owners can visit [bmwusa.com/recall](https://www.bmwusa.com/recall) and click on “**Manage recall notices and contact information**”.

Q7. How will my vehicle be remedied?

Potentially affected vehicles will have the positive battery cable connection checked and, if necessary, repaired *free of charge* which should take about an hour.

Q8. Do I have to wait for BMW to contact me to have the remedy performed?

No. Please contact an authorized BMW center as soon as possible to have the remedy performed. To locate your nearest authorized BMW center, please visit [bmwusa.com/dealer](https://www.bmwusa.com/dealer).
