Dear Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Winnebago Motorhomes has decided that a defect related to motor vehicle safety exists on certain:

2025 Minnie Winnie / Spirit

These motor homes were manufactured **June 6, 2024** through **October 14, 2024**. Our records indicate that you have purchased a vehicle with the serial number which appears above.

On certain Winnebago vehicles the spare tire carrier may not be installed correctly. There is potential the mounting bolts could work loose, and the spare tire carrier could detach. A detached spare tire carrier increases the risk of a crash.

WHAT WE WILL DO

On affected vehicles, Winnebago dealers will inspect, repair, and replace, if necessary, the mounting bolts. **This repair will be done at no charge to you.**

The labor time necessary to perform this correction will be approximately 1 hour. Please allow additional time for the dealer to process your vehicle.
