

2025 Rivian R1S & R1T
Headlamp Performance in Cold Weather

NHTSA Recall No. 25V-085
Rivian Recall No. FSAM-1612

IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN XXXXXXXXXXXXXXXXXXXX

Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Rivian Automotive, LLC has decided that certain model year 2025 Rivian R1S and R1T vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) 108 - "Lamps, reflective devices, and assoc. equipment." Our records show that you are the owner of a vehicle affected by this action.

What is the problem?

One or more headlamps, when operated in cold temperature conditions, may not illuminate at vehicle startup due to incorrectly configured parts from a supplier and may not fulfill the requirements of FMVSS 108 - "Lamps, reflective devices, and assoc. equipment." Diminished lighting performance may cause reduced visibility in certain conditions. Reduced visibility may increase the risk of a crash.

What will Rivian do?

Rivian will replace the headlamp control modules on the affected vehicles. This recall service will be available at no cost to you.

What should you do?

Please call 1-855-748-4265 to schedule the recall service repair with your Rivian Service Center immediately. The estimated recall service time should take less than an hour to complete, please plan accordingly.

If you have further questions, please call Rivian Service Support at 1-855-748-4265. For additional information please visit our Support Center. <https://rivian.com/support/article/recall-information>

Do you have other questions?

If you have questions or no longer own this vehicle, please call Rivian Service Support at 1-855-748-4265. For additional information please visit [NHTSA.gov/recalls](https://www.nhtsa.gov/recalls). If you believe that Rivian has failed or is unable to remedy the defect within a reasonable time or without charge, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153) or visit www.safercar.gov.

Thank you for your attention to this important matter. The quality and safety of your vehicle is of the utmost importance to us.
