NHTSA Recall 25V-153

This notice applies to your vehicle, [VIN].

Dear Nissan Sentra Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that certain 2025 Model Year Nissan Sentra vehicles fail to conform to Federal Motor Vehicle Safety Standard No. 207, "Seating Systems," and 210, "Seat Belt Assembly Anchorages." Our records indicate that you own or lease a Nissan vehicle subject to this recall as identified by the VIN on the inside of this notice.

Reason for Recall **Motivo del Retiro**

The driver's seat frame may not be fully secured to the seat bracket. If this condition is present in your vehicle, there could be unintended movement of the driver's seat which increases the risk of injury to the occupant in the event of a crash.

What Nissan Will Do **Qué Hará Nissan**

Your Nissan dealer will inspect the driver's seat track and if necessary, replace the lower seat frame assembly. This service, which is conducted at no charge to you for parts and labor, could take up to one and a half (1.5) hours to complete. However, your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.
