IMPORTANT SAFETY RECALL

Headlamp Aim Plugs

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2024 and 2025 Model Year (KM) Jeep® Wagoneer S] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108 - Lamps, reflective devices, and assoc. equipment.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

The headlamp aiming adjustment mechanisms on your vehicle ^[1] may not have proper accessibility. **If headlamp aim is improperly adjusted it may reduce forward visibility for the driver and create glare for oncoming vehicle drivers, which may cause a vehicle crash without prior warning.**

The condition above fails to conform to the requirements of FMVSS No. 108 S10.18.1 which requires that each headlamp "must be installed [...] with a mounting and aiming mechanism [...] accessible for those purposes without removal of any vehicle parts, except for protective covers removable without the use of tools." Additionally, FMVSS No. 108 S10.18.4 requires that "A visually/optically aimable headlamp that has a lower beam must not have a horizontal adjustment mechanism..." Suspect vehicles do not allow access to vertical headlamp aim adjustment without the use of tools, and do allow improper access for horizontal headlamp aim adjustment.

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will remove the plugs from the vertical aim and install plugs on the horizontal aim, as necessary. The estimated repair time is 15 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,
