Dear Valued Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco Inc. has decided that a defect, which relates to motor vehicle safety, exists in certain Starcraft model year 2025 Autumn Ridge travel trailers.

| | |
|--------------------------------------|--|
| <i>Reason for this recall</i> | The installed safety chains are rated at 7,600 lbs. and the actual Gross Vehicle Weight Rating (GVWR) is 7,995 lbs. In the event of a trailer detachment, the safety chains may fail allowing the tow vehicle to separate from the trailer. Separation of the trailer and tow vehicle increases the risk of a crash. |
| <i>Recall Remedy</i> | Jayco Inc. dealers will install new safety chains, free of charge. The remedy will take approximately 1/2 hour to complete. |
| <i>What we need you to do</i> | Please contact a Jayco Inc. certified repair facility and schedule an appointment for this remedy. To locate a Jayco Inc. dealer go to www.jayco.com . To locate a Starcraft dealer go to www.starcrafttrv.com . You can also call Jayco Inc. customer service at 800-283-8267. |
