risk that the flasher bulb contacts of the turn signals will burn or melt due to vibrations while driving, causing the turn signals at the front of the vehicle to not illuminate. If the turn signal stops working, the truck stops being able to signal. Headlight assemblies will be installed in all affected vehicles. The procedure will be completed at no cost to you when performed by an Authorized Dealer or Parts and Service Center. The scheduled time for the repair is approximately 0.9 hour.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you are the lessor of the above referenced vehicle, please forward this notification immediately.

Note: If you have incurred costs to obtain a remedy for the problem addressed in this recall prior to initial notification, please present the paid invoice to an Authorized RIZON Dealer or Parts and Service Center. The Dealer/Parts & Service Center will submit a warranty claim to RIZON on your behalf. Reimbursement of these costs should be expected within 30 days of warranty claim submittal.

We at Mitsubishi Fuso Truck of America, Inc. regret any inconvenience this situation may cause you. However, your continued satisfaction with our product is most important to us.

If your RIZON Dealer is unable to perform this procedure without charge, or within a reasonable amount of time, please contact RIZON Customer Service toll-free at 888-597-4966 for assistance.
