

# IMPORTANT SAFETY RECALL

Sep 2025

This notice applies to your vehicle, **VIN:** \_\_\_\_\_

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2021 – 2024 model year Cadillac Escalade and Escalade ESV, Chevrolet Silverado 1500, Suburban, and Tahoe, and GMC Sierra 1500, Yukon, and Yukon XL vehicles equipped with the 6.2L V8 gas engine (RPO L87). As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

## IMPORTANT

- Your vehicle is involved in GM recall N252494000.
- There is no action required on your part.

### Why is your vehicle being recalled?

The connecting rod and/or crankshaft engine components in these vehicles may have manufacturing defects that can lead to engine damage and engine failure. If the engine fails during vehicle operation, the vehicle will lose propulsion, increasing the risk of a crash.

### What will we do?

GM records show your vehicle has been serviced for this condition or previously received a replacement engine that does not contain the defect addressed by this recall and therefore does not require additional inspection or replacement.

As a result, there is no need for you to take your vehicle to your dealer for recall N252494000.

GM is providing you with additional protection if an engine failure occurs in your vehicle as a result of the condition described above. If this condition occurs on your vehicle within 10 years from the date your vehicle was originally placed in service or 150,000 miles (240,000 km), whichever occurs first, the condition will be repaired for you at no charge. Diagnosis or repair for conditions other than the condition described above is not covered under this special coverage program.

For customers' vehicles with a repair for this condition completed prior to this mailing, we are offering reimbursement. Please follow the reimbursement steps below.

Qualifying repairs under this special coverage must be performed by a General Motors dealer.

***Customers may not assign, and GM does not consent to any assignment of any Customer's rights granted by this Special Coverage to any third party, including but not limited to service contract providers, and this Special Coverage is not intended to and does not confer any third party beneficiary, subrogation or contribution rights, or any other rights to reimbursement, against GM, whether in law, equity or otherwise, on any third parties.***

**Did you already pay for this repair?**

If you have already paid for repairs for the recall condition, **and those repairs were completed prior to this mailing**, please complete the enclosed reimbursement form. Mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170.
