Dear Valued Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco Inc. has decided that a defect, which relates to motor vehicle safety, exists in certain model year 2025 Entegra Coach Launch and Jayco Terrain Class B motorhomes.

<i>Reason for this recall</i>	An incorrect standard outlet was installed in the kitchen instead of a GFCI protected outlet. A lack of proper circuit protection increases the risk of electric shock and injury.
<i>Recall Remedy</i>	Jayco Inc. dealers will replace the Non-GFCI breaker with a GFCI breaker at the load center, free of charge. This repair will provide the proper circuit protection at the kitchen outlet. The remedy will take approximately 1/2 hour to complete.
<i>What we need you to do</i>	Please contact a Jayco certified repair facility and schedule an appointment for this remedy. To locate a Jayco Inc. or Entegra Coach dealer go to www.jayco.com or www.entegracoach.com . You can also call Jayco Customer Service at 800-283-8267.
