Dear Valued Holiday Rambler Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REV Recreation Group Inc. has decided that a safety defect relating to motor vehicle safety exists on products within model years 2025-2026 Holiday Rambler brand Class C gasoline motorhomes.

Holiday Rambler Products

Model Year(s) 2025-2026 Incline

Manufactured date range

March 26, 2024 – May 27, 2025

WHAT IS THE PROBLEM?

On motorhomes affected by this recall campaign, the compartment below the house entry steps contains electrical components that may become inoperable due to water intrusion. Some of the circuits affected may include the operation of the Carbon monoxide/Liquid Propane (CO/LP) detector. If the CO/LP detector becomes inoperable, Carbon Monoxide (CO) or liquid propane (LP) exposure could result in injury or death.

Identify any warning which can precede or occur:

Note: Operational lights on the face of the CO/LP detector will not display. Fuse/wire connections may be corroded or inoperable in this compartment.

WHAT SHOULD YOU DO?

Please make certain your motorhome is immediately inspected by contacting an **authorized REV Recreation Group servicing dealer**. If required, the dealer will install latch covers on the underside entry step compartment, a mudflap and sealing of all compartment seams and openings to prevent water intrusion.

For assistance locating an **authorized REV Recreation Group servicing dealer**, please call REV Recreation Group Owner Relations toll-free at: **(800) 322-8216**

WHAT WILL REV RECREATION GROUP DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, REV RV dealers have been supplied with all the information needed to enable them to inspect

and repair the step compartment to prevent water intrusion. The CO/LP detector will be replaced as needed.

The repair should take approximately 1 hour to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge.

When you deliver your motorhome for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** with the servicing dealer information and return it to REV Recreation Group:

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

Alternately, you may scan the QR code at right, or navigate to the following URL to access the Holiday Rambler RV owners' web page and update any pertinent mailing information:
