**Subaru Safety Recall WRC-25  
NHTSA Recall ID 25V419  
July 2025**

### **Dear Subaru Owner:**

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Subaru of America, Inc. (Subaru) has decided that a defect which relates to motor vehicle safety exists in certain 2025 model year Forester Strong Hybrid Electric Vehicles (SHEV).

You received this notice because our records indicate that you currently own one of these vehicles.

### **DESCRIPTION OF THE DEFECT AND SAFETY RISK**

Your vehicle may have been manufactured with insufficiently tightened child seat anchor bolts. Over time, an affected attachment bolt may become loose, leading to possible separation from the vehicle frame.

If a child seat is installed using the rear seat lower anchors in a location where an anchor bolt has separated, the child seat may not be anchored properly during a crash, increasing the risk of injury.

### **WHAT SUBARU WILL DO**

Subaru will tighten the child seat anchor bolts in your vehicle to the specified torque, free of charge.

### **WHAT YOU SHOULD DO**

Please contact your Subaru retailer (dealer) immediately to schedule an appointment to have this safety recall completed at no cost to you.

### **HOW LONG WILL THE REPAIR TAKE?**

The tightening of the child seat anchor bolts will take approximately 15 minutes. However, it may be necessary to leave your vehicle for a longer period of time to allow your Subaru retailer flexibility in scheduling.

### **OWNER INFORMATION**

Government regulations require that recall notifications be sent to the last known owner of record. That information is based primarily on state registration and title data. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you have moved or sold your vehicle, please go to <https://www.subaru.com/support/customer-support.html> to send us your updated information.

### **IF YOU HAVE PREVIOUSLY PAID FOR A REPAIR**

If you have already paid for repairs associated with this condition, you may be eligible for reimbursement. Reimbursement consideration will be based on the amount an authorized Subaru retailer in your area would charge for the same repair.

Please send the original service repair order, which has the name of the repair facility, date of repair, mileage at the time of repair, complete 17-digit vehicle identification number (VIN), and your name, with correct mailing address and telephone number to the address listed below:
