Dear Audi Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Audi has decided that a defect, which relates to motor vehicle safety, exists in certain 2025 model year Audi vehicles. Our records show that you are the owner of a vehicle affected by this action.

**What is the issue?**

Due to a manufacturing issue, it is possible for a retaining ring on top of the suspension strut, which is equipped with a pneumatic spring, to loosen or become dislodged. If this happens, the affected pneumatic spring will lose air. This will cause a loss of ride comfort and a drop in ride height of the affected strut, impacting vehicle handling and increasing the risk of a crash.

**What will we do?**

To correct this defect, your authorized Audi dealer will inspect and, if necessary, replace affected suspension strut(s). This work will take about a day to complete and will be performed for you free of charge. Please keep in mind that your dealer may need additional time for the preparation of the work, as well as to accommodate their daily workshop schedule.

**What should you do?**

Please contact your authorized Audi dealer without delay to schedule this recall work. For your convenience, you can also visit [www.audiusa.com](http://www.audiusa.com) and click on the “Find a Dealer” link to locate a dealer near you and schedule this service.

**Precautions you should take:**

If the pneumatic spring loses air, a warning message will appear in the instrument cluster. In addition, the driver will notice that vehicle ride height is lower at the affected suspension strut. Should this occur, owners are advised to contact an authorized Audi dealer without delay to have the vehicle diagnosed.

As a reminder, the vehicle owner’s manual contains important information regarding the vehicle’s warning lights and messages. We encourage you and anyone who drives the vehicle to review the owner’s manual to become familiar with the types of vehicle indicators, warnings and messaging they may see.

**Additional Information**

- If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt.
- If your authorized Audi dealer fails or is unable to complete this work free of charge within a reasonable time, if you have changed your address or no longer own the vehicle identified in this letter, or if you should have any questions about this communication, please contact Audi Customer Experience at 1-800-253-2834 or via our “Contact Us” page at [www.audiusa.com](http://www.audiusa.com).

## IMPORTANT SAFETY RECALL

- If you still cannot obtain satisfaction, you may file a complaint with: The Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY:1-888-275-9171); or go to <http://www.safercar.gov>.
- To check your vehicle's eligibility for repair under this or any other recall/service campaign, please visit the Recall/Service Campaign Lookup tool at [www.audiusa.com](http://www.audiusa.com) and enter your Vehicle Identification Number (VIN).

We apologize for any inconvenience this matter may cause; however, we are taking this action to help ensure your safety and continued satisfaction with your vehicle.

Sincerely,

Audi Customer Protection
