IMPORTANT! Sign and date this reply, as permanent changes are not valid without your signature.

Mitsubishi Fuso Truck of America, Inc. has decided that a defect, which relates to motor vehicle safety, exists in the Internal Actuator Brake (EPB actuator) on certain 2024 and 2025 model year FEC7K (E16L/E16M), FEC9K (E18L/E18M) and FECXK (E18) RIZON trucks. The Internal Actuator Brake (EPB actuator) uses a spacer which is too large, this results in the pressure plate not sticking with the coil as intended. This creates friction and causes an overcurrent. Consequently, there is a risk of gridlock, brake dragging and the warning lamp lighting up on the meter cluster. In the worst case, there is a risk of fire.

The Internal Actuator Brake (EPB actuator) will be inspected, and if the defective component is installed, it will be replaced. If there is brake dragging damage, the Brake Assembly will be replaced. The procedure will be completed at no cost to you when performed by an Authorized Dealer or Parts and Service Center. The scheduled time for C10138 repair is approximately 0.3 to 4.7 hours.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you are the lessor of the above referenced vehicle, please forward this notification immediately.

Note: If you have incurred costs to obtain a remedy for the problem addressed in this recall prior to initial notification, please present the paid invoice to an Authorized RIZON Dealer or Parts and Service Center. The Dealer/Parts & Service Center will submit a warranty claim to RIZON on your behalf. Reimbursement of these costs should be expected within 30 days of warranty claim submittal.

We at Mitsubishi Fuso Truck of America, Inc. regret any inconvenience this situation may cause you. However, your continued satisfaction with our product is most important to us.

If your RIZON Dealer is unable to perform this procedure without charge, or within a reasonable amount of time, please contact RIZON Customer Service toll-free at 888-597-4966 for assistance. You may also contact the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-888-275-9171); or go to <http://www.safercar.gov>.

Sincerely,

Scott M. Coyle
