IMPORTANT SAFETY RECALL

NHTSA Recall No. 25V477

This notice applies to your vehicle, VIN

Automobili

Lamborghini America LLC

Dear Lamborghini Owner or Lessee,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Automobili Lamborghini S.p.A. has decided that a defect, which relates to motor vehicle safety, exists in certain Model Year 24 and 25 Revuelto vehicles. Our records indicate that you are the owner of a vehicle in this recall.

What is the issue?

In the affected vehicles the spherical pin that supports the door gas springs, allowing the doors to open and remain in the open position, may not have been assembled according to manufacturing specifications and could come loose.

If the supporting pins detach, the doors may close under their own weight, posing a risk of injury to users. This issue could also make it difficult to open the doors, particularly from inside the vehicle, increasing the risk of injury in an emergency.

For the reason set forth above, it is therefore necessary to update these vehicles. If you are not the only driver of this vehicle, please advise all other drivers and passengers of this important information.

What Do You Need to Do?

Customers can still drive their cars, however, we encourage you to contact your authorized Lamborghini dealer to schedule an appointment to have this important free update performed as soon as possible. Please bring this letter and your Service Booklet with you when you visit the dealer, so that we can make all necessary entries.

You can locate your nearest authorized Lamborghini Dealer at <https://www.lamborghini.com/en-en/ownership/dealer-locator>.

Please understand if the measure may take a longer period of time for organizational reasons in the operational process. We apologize for any inconvenience this recall may cause.
