Your Vehicle Identification Number (VIN) :

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Storyteller Overland, LLC has decided that a defect which relates to motor vehicle safety exists in your vehicle, with the VIN shown above. This defect affects certain 2023 Storyteller Overland MODE LT's.

We apologize for any inconvenience and want to assure you that, with your assistance, we will correct this. Our commitment, along with your dealers, is to provide you with the highest level of customer service.

**OWNERS CAN CONTINUE TO USE THEIR VEHICLES. HOWEVER, PLEASE DO NOT PLUG INTO SHORE POWER UNTIL THE RECALL REPAIR IS COMPLETE.**

**What is the issue?** Storyteller Overland is recalling certain 2023 MODE LT's. Certain MODE LT's may contain improperly torqued exterior shore power inlets.

**What is the risk?** Due to the potential for improper installation, the shore power inlet wiring could overheat creating the risk of fire. Storyteller is not aware of any property damage or injuries associated with this issue.

**What will Storyteller Overland and your dealer do?** Storyteller Overland authorized dealers will replace the shore power inlet according to the instructions provided at no cost to the customer. If a consumer has paid to remedy this issue, they may be eligible for reimbursement. Reimbursement information can be obtained by contacting Storyteller Overland's customer service department at [service@storytelleroverland.com](mailto:service@storytelleroverland.com).

**How long will it take?** The time needed to complete this recall will be approximately 30 minutes. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

**What should you do?** Please contact your local Storyteller Overland authorized dealer without delay and request a service date for NHTSA Recall: 25V-498. Provide the dealer with your VIN, which is printed near the top of this letter. Please email [service@storytelleroverland.com](mailto:service@storytelleroverland.com) when your appointment is scheduled and Storyteller Overland will make sure your dealer has everything needed to complete the update in advance.

**What if you have already paid for this repair?** If you have already paid for these repairs, please contact Storyteller at [service@storytelleroverland.com](mailto:service@storytelleroverland.com) with the details of the repair including pictures of the completed repair and remedied part as well as a labor sheet or invoice. Once we have received proof of satisfactory completion and your invoice, we will coordinate reimbursement. There are no time frame or eligibility restrictions to get reimbursed for this repair.

**What if you no longer own this vehicle?** You received this notice because government regulations require that we send notifications to the last known owner of record. If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner. If you do not have that information please return to Storyteller Overland in the self addressed envelope provided.

**Please note:** Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

**Can we assist further?** If you are having difficulties getting your vehicle repaired promptly and without charge, please contact us directly for assistance at 888-999-7442.

If an authorized Storyteller Overland dealer for any reason is unable to remedy the situation without charge, or within a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590 or call the toll-free Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to <https://www.safercar.gov>.

Thank you for your attention to this important matter.
