

IMPORTANT SAFETY RECALL

This Notice Applies to Your Suzuki V-STROM 1050 or KATANA Motorcycle

(VIN)

November 7, 2025

Dear Suzuki Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Suzuki Motor Corporation has decided that certain 2020 ~ 2022 V-STROM 1050/1050XT/1050XT Adventure (DL1050RQ/RC/RCAM0-M2), 2023 ~ 2025 V-STROM 1050/1050DE/1050DE Adventure (DL1050RR/1050RJ/RJAM3-M5), and 2020 & 2024 KATANA (GSX-S1000SM0/M4) motorcycles fail to conform to Federal Motor Vehicle Safety Standard No. 108, "Lamps, reflective devices, and associated equipment." According to our records, you own one of the motorcycles affected by this recall.

What is the problem?

The headlamp assembly of your V-STROM 1050 or KATANA motorcycle is not in compliance with Federal Motor Vehicle Safety Standards due to excessive illumination output of the upper beam. The excessive illumination of the headlamp may impair the vision of the motorcycle operator or oncoming drivers, increasing the risk of a crash.

⚠ WARNING

Operating your motorcycle without having the recall service performed may increase the risk of a crash.

If you must ride your motorcycle before this safety recall service has been completed, be aware that the headlamp upper beam emits greater light output than what is allowed by Federal Motor Vehicle Safety Standards and its operation may impair the vision of the motorcycle operator or other drivers, increasing the risk of a crash.

What is Suzuki doing to solve the problem?

Suzuki will replace the headlamp assembly of affected motorcycles free of charge. The replacement headlamp assembly has been redesigned to comply with all Federal Motor Vehicle Safety Standards.

Replacement parts will be available beginning November 10, 2025, and this safety repair will be performed by a Suzuki Dealer at no cost to you for parts and labor. Please allow at least 1.5 hours for your Suzuki Dealer to check in your motorcycle at the Service counter, and to complete the repair.

What you should do:

Make sure you are prepared for the recall service by taking the following steps:

- Contact your Suzuki Dealer as soon as possible to make an appointment for the recall service. Be prepared to provide them with the VIN of your motorcycle (provided at the top of this notice)
- Please take this notice to your Suzuki Dealer to help your Dealer process your claim.
