

IMPORTANT SAFETY RECALL

November 2025

This notice applies to your vehicle, VIN: _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2021 model year Cadillac Escalade, 2021, 2023, and 2024 model year Chevrolet Tahoe, and 2022 and 2024 model year GMC Yukon vehicles equipped with a 6-cylinder diesel engine. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your vehicle is involved in GM recall N252512770.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

The original fuel tanks in these vehicles may have been replaced with an incorrect tank in dealer service, which could allow fuel to leak in a rollover crash. A fuel leak increases the risk of a fire if an ignition source is present.

What will we do?

Your GM dealer will inspect for the correct fuel tank and replace if necessary, free of charge. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual inspection and service correction or service correction time of approximately 90 minutes.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

Did you already pay for this repair?

Even though you may have previously had repairs for this condition, you will still need to take your vehicle to your dealer for additional repairs. If you have already paid for repairs for the recall condition, **and those repairs were completed prior to this mailing**, please complete the enclosed reimbursement form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170.

Do you have questions?

You may schedule your vehicle for repair using the QR code below. For more information about your vehicle, or if you have questions or concerns that your dealer is unable to resolve, please visit gm.com/service. You can also use your preferred voice assistant (for example, "Please go to GM.com"), or call the Buick, Chevrolet or GMC Customer Assistance Center at 1-866-467-9700. For Cadillac, please call 1-800-333-4223.

For the hearing or speech impaired, please contact our Customer Assistance Center using the Telecommunication Relay Service by dialing 711 then providing the appropriate Customer Assistance Center number for your vehicle.

If your dealer fails or is unable to remedy this defect without charge, or within a reasonable amount of time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1.888.327.4236 (TTY 1.800.424.9153), or go to <http://www.nhtsa.gov>. The National Highway Traffic Safety Administration Campaign ID Number for this recall is 25V619.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
