IMPORTANT SAFETY RECALL

BENTLEY

October 2025

This notice applies to your vehicle,

Vehicle Identification Number (VIN):

Model Year/Model: Bentley Continental GT Speed

NHTSA: 25V648

Dear

RE: SAFETY RECALL – Loose Screws On High-Pressure Fuel Pumps (RE25/41)

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Bentley Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2025-2026 model year Bentley Continental GT/GTC and 2025 Bentley Flying Spur vehicles. Our records show that you are the owner of one of these vehicles

What is the issue

On certain vehicles, Bentley has been informed that the bolted joint connection securing the high-pressure fuel pump to the V8 Evo engine may not have been tightened to the correct torque specification by the supplier. If the high-pressure fuel pump is not fastened to the engine correctly, component damage may occur, which in the worst case could lead to a fuel leak. A fuel leak, in the presence of an ignition source, increases the risk of a fire.

What will we do?

To correct this defect, your authorized retailers will carry out a torque check on the 4x HP pump screws (2x screws per pump, and 2x pumps per engine). If the torque is greater than 18Nm, no further rework is required. This check will take under two hours to perform. However, if the torque of either of the pump screws is less than 18Nm, rework will be required to replace the high-pressure fuel pump and associated parts. This repair will take multiple days to complete and will be carried out free of charge.

IMPORTANT SAFETY RECALL

BENTLEY

What should you do? Please telephone your authorized Bentley dealer without delay to schedule a repair appointment. Your dealer has all the necessary instructions to perform this important safety repair to your satisfaction.

Precautions you should take If the recall condition is present in the vehicle, you may experience a warning light in the driver's instrument panel or notice the smell of fuel around the vehicle. Should any of these occur, please contact your authorized Bentley dealer without delay to have the vehicle inspected/repared.

Lease vehicles If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt.

Can we assist you further? If you have any questions, require any assistance or if you would like us to address any concerns that you may have, please telephone our dedicated Customer Service team at 1 800-777-6923.

In the event your authorized Bentley dealer fails or is unable to remedy the defect free of charge within a reasonable time, you may also submit a complaint to: The Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236; (TTY:1-888-275-9171): or go to:

<http://www.nhtsa.gov>.

What if I no longer own the vehicle? If you no longer own this vehicle, and have the address for the current owner, please forward this letter to the new owner within 10 days of receipt. If you don't know the new owner, please contact our Customer Services team at 1 800-777-6923.

We apologize for any inconvenience this matter may cause; however, we are taking this action to help ensure your safety and continued satisfaction with your vehicle.

Yours Sincerely,

Michael Coates
Director, Aftersales
