Dear Valued Fleetwood Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REV Recreation Group Inc. (RRG) has decided that a safety defect relating to motor vehicle safety exists on products within model years 2024-2026 Fleetwood Fortis brand Class A motorhomes.

Fleetwood Products

Model Year(s) 2024-2026 Fortis

Manufactured date range

April 17, 2023 – November 07, 2025

WHAT IS THE PROBLEM?

On motorhomes affected by this recall campaign, Lippert supplied RRG with non-locking compartment door paddle latches used on certain 2024-2026 model year Fleetwood Fortis and motor homes. These latches were installed on liquid propane (LP) compartment doors and may lock unintentionally. This could delay access to the LP system and increase the risk of fire or injury.

Identify any warning which can precede or occur:

Note: Latches may become stuck in the open or closed position impeding operation.

WHAT SHOULD YOU DO?

Please make certain your motorhome is immediately inspected by contacting an authorized **REV Recreation Group servicing dealer to have this recall performed.**

For assistance locating an **authorized REV Recreation Group servicing dealer**, please call REV Recreation Group Owner Relations toll-free at: **(800) 322-8216**

WHAT WILL REV RECREATION GROUP DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, RRG dealers have been provided with technical instructions needed to enable technicians to perform an inspection and replace the LP compartment door paddle latch with the updated latch if needed.

The repair will take a minimum of .20/hr. to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. **This service will be performed for you free of charge.**

When you deliver your motorhome for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** with the servicing dealer information and return it to REV Recreation Group-

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.
