

# IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN: \_\_\_\_\_

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Isuzu Motors Limited has decided that a defect, which relates to motor vehicle safety, exists in certain 2023-2025 model year Chevrolet 7500 XD Low Cab Forward vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

## IMPORTANT

- Your vehicle is involved in GM recall N252533320.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

### Why is your vehicle being recalled?

In the affected vehicles, the front stabilizer bar brackets may break due to excessive stress on the stabilizer bar brackets and mounting studs, which may lead the front stabilizer bar to detach from the vehicle, creating a potential road hazard and risk to motor vehicle safety, including a risk of a crash.

### What will we do?

Your GM dealer will remove the old stabilizer bar brackets and replace them with new brackets, free of charge. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 3 hours and 40 minutes.

### What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

When scheduling your appointment, confirm with the dealer that they service Medium Duty Trucks.

### Did you already pay for this repair?

Even though you may have previously had repairs for this condition, you will still need to take your vehicle to your dealer for additional repairs. If you have already paid for repairs for the recall condition, **and those repairs were completed prior to this mailing**, please complete the enclosed reimbursement form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170.
