NHTSA RECALL #25V867**

This Notice applies to your vehicle, see enclosed "Notice of Vehicle Recall."

DEAR MACK TRUCK OWNER:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mack Trucks, Inc. has decided that a defect, which relates to motor vehicle safety exists in certain 2010-2016 Granite GU vehicles manufactured September 17, 2009 to July 31, 2015.

SAFETY DEFECT

Mack Granite (GU) vehicles that completed Mack recall SC0398 (15V804) may have had incorrect brake chambers installed during later repairs. The parts catalog information for vehicles affected by SC0398 was not updated to reflect the parts installed during the recall remedy, potentially leading to the installation of incorrect brake chambers in later service events.

**PRECAUTIONS
YOU CAN TAKE**

There are no precautions you can take other than to have your vehicle repaired by a Mack Service Center.

A Mack Parts and Service Center will inspect and, if required, replace any incorrectly sized brake chambers at no cost to you. Mack parts catalog information has been updated for all vehicles included in the recall.
