This is an important Safety Recall. The remedy will be performed **FREE OF CHARGE** to you.

February 13, 2026

This notice applies to your vehicle:

**Certain 2019-2025 Model Year Porsche Panamera, 911, Taycan and Cayenne Vehicles
Porsche Recall ASB2 / NHTSA ID 25V-896**

Dear

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Porsche has decided that certain 2019-2025 model year Porsche Panamera, 911, Taycan and Cayenne vehicles fail to conform to Federal Motor Vehicle Safety Standard No. 111, "Rear Visibility".

What is the issue?

Porsche recently determined that on certain specific vehicles, a software issue may prevent the reversing cameras on certain cars from operating as they should. These issues can decrease the driver's visibility while operating the vehicle in reverse, increasing the risk of a crash.

What will Porsche do?

To remedy this issue, your Porsche Center will update the affected software at no charge to you. This update will take approximately 1 day to complete, but it may be necessary to make your vehicle available to your Porsche Center for a longer period of time. Your Porsche Center will arrange for alternate transportation if necessary.

What should you do?

The remedy for this Recall is now available. Please contact any authorized Porsche Center to schedule an appointment to have this recall performed as soon as possible and to arrange for Porsche provided alternate transportation, if necessary.
