IMPORTANT SAFETY RECALL

This notice applies to your vehicle: [REDACTED]

February 2026

Dear [REDACTED],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Honda has decided that certain 2024-2025 model year CBR650R motorcycles fail to conform to Federal Motor Vehicle Safety Standard No. 108; "Lamps, reflective devices and associated equipment."

Why my vehicle is under recall: During normal use, vehicle vibration and friction can cause the turn signal switch wire harness insulation to wear against the left-side middle cowl bracket, exposing the copper core, causing an electrical short and blown fuse. If the fuse is blown, the motorcycle's turn signal, brake, and license plate lights, speedometer, and horn will not function, preventing the rider's ability to observe the speed and alert other drivers of the rider's actions/intended actions, increasing the risk of a crash or injury.

What Honda will do: Your Honda Powersports dealer will inspect and repair the harness, as necessary, for **FREE**. Honda estimates that the repair will take approximately 45 minutes to complete. However, your dealer can provide you with a better estimate of the overall time for this service visit, as it may be necessary to make your motorcycle available for a longer period of time.

What we need you to do: Please call any authorized Honda Powersports dealer and schedule an appointment to have your motorcycle repaired, for **FREE**.
If you are not the only rider of this motorcycle, please advise all other riders and passengers of this important information.

- Check recall information for your motorcycle by accessing the Honda recall lookup tool at <https://powersports.honda.com/recalls> and entering your Vehicle Identification Number (VIN).
- If you have questions or concerns, we encourage you to:
 - visit <https://powersports.honda.com/recalls>; or
 - contact your local Honda Powersports dealer; or
 - send Customer Relations a message via <https://powersports.honda.com/contact-us>; or
 - call American Honda's Powersports Customer Relations at 1-866-784-1870 Monday through Friday, 8:30 a.m. to 4:30 p.m., Pacific Time.

If you paid out of pocket to have these specific recall repairs performed on your vehicle, you may be eligible for reimbursement; please contact American Honda's Powersports Customer Relations at 1-866-784-1870 to determine potential eligibility and for instructions on how to request reimbursement.

If you no longer own this vehicle or if any of the information is not correct, please complete and return the enclosed prepaid Information Change Card as soon as possible. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you believe that American Honda or the dealer has failed or is unable to remedy the defect in your vehicle, without charge and within a reasonable period of time (60 days from the date you first contact the dealer for a repair appointment), you may submit a complaint to the Administrator, National Highway Traffic Safety Administration (NHTSA), 1200 New Jersey Ave., SE, Washington, DC 20590. Alternatively, you may call the NHTSA toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to <http://www.safercar.gov>.

We sincerely apologize for any inconvenience this recall may cause, but please be assured that your safety is our first concern.

Sincerely,

American Honda Motor Co., Inc.
