

SAFETY RECALL BULLETIN

NHTSA RECALL 25V746

AUTOCAR, LLC ACX-2506

December 2025

ATTENTION:

Service Managers / Parts Managers.

SUBJECT:

Autocar, LLC has decided that certain, 2025-2026 model year ACX (Xpeditor) chassis may have a software error that allows the Automatic Emergency Braking System (AEBS) to disable when turning.

SAFETY RECALL INFORMATION:

The reprogramming necessary to correct this condition can only be performed by Autocar personnel. This document contains information regarding the claim coding and contact information.

VEHICLES AFFECTED:

These chassis were manufactured between March 27, 2025 and August 24, 2025, with non-sequential serial numbers in the range of 251903 through 253420. To determine if a vehicle is affected by this Recall, log in to the Solutions Warranty Portal at autocar.service-now.com/CSM. From the home page enter the last six digits of the VIN into the search field, select the full VIN from the results and the VIN profile will be displayed. Scroll to the bottom of the page and select Recalls/Service Programs tab and all applicable campaigns will be displayed, look for the Autocar Recall number above.

SERVICE RESPONSIBILITY:

Service sites must perform this recall on affected vehicles at no charge to the owner regardless of vehicle mileage, age or ownership. If a vehicle affected by this recall is taken into or is currently in your vehicle inventory, or at your center for service, you must perform this recall before the vehicle is sold or released to the owner.

REQUIRED PARTS:

There are no parts associated with this Safety Recall.

To Arrange Reprogramming:

Contact Autocar at autocartruck.com, click the green diamond and request service assistance or call Autocar Service team at 888-218-3611.
