

R25DL

FINAL NOTICE

DATE: December 4, 2025
TO: Blue Bird Owners
Subject: R25DL: Secondary Brake System Failure in Electric Vehicles with Hydraulic Brakes

According to our records, we have not received confirmation the above referenced recall, dated June 12, 2025, has been completed. A copy of Recall R25DL is attached. Your buses affected by Recall R25DL are identified by Blue Bird body number and VIN under Section 2 on the enclosed cover sheet.

If this is the first time you received notification of Recall R25DL, please read the enclosed notification carefully. Recall R25DL must be completed, as soon as possible.

Corrective Action:

To correct this condition, Blue Bird has developed an improved diagnostic for the secondary brake assist system. The improvement involves a software update and modification to the wiring harness to the system. This software update and hardware modification increases detectability of a secondary brake assist system failure by 500%.

Labor Reimbursement:

Blue Bird will reimburse the labor cost of the Repair related to this recall at no cost to the vehicle owner. The standard repair time (SRT) to accomplish the repairs in accordance with the R25DL remedy procedure(s) is outlined below.

R25DL Repair: Hardware Modification & Software Update - 1.5 Hours
