FOLLOW-UP NOTICE

December 19, 2025

Dear Kia K5 Vehicle Owner:

Kia has identified a defect in your vehicle which relates to motor vehicle safety.

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Kia America, Inc. has decided that a defect which relates to motor vehicle safety exists in certain 2023-2025 MY K5 vehicles. The defect can result in creating a road hazard for other road users, increasing the risk of a crash. Our records indicate that you own or lease one of the affected vehicles. The remedy parts are now available for your vehicle.

What Is The Problem?

Due to a quality issue, the C-pillar garnish face plate(s) on your vehicle may progressively delaminate and become loose from the base of the molding, and the face plate may fall off. A face plate that detaches from the vehicle while in motion may create a road hazard for other road users, increasing the risk of a crash.

Kia Will Replace The Affected C-Pillar Garnish Assembly(ies) Free Of Charge At No Cost To You.

Kia dealers will inspect and replace the affected C-pillar garnish assembly(ies) that have not been previously replaced under warranty with an improved one. This recall will be performed **free of charge at no cost to you**. The estimated time required to perform this recall will be approximately one (1) to two (2) hours. However, your vehicle may be needed longer depending on the dealer's schedule. We recommend scheduling a service appointment to minimize your inconvenience.

What Should You Do?

- In the interest of the safety of your passengers, as well as your own safety, contact your authorized Kia dealer to arrange for the recall to be performed on your vehicle.
