Incorrect Seatbelt Length

This is a reminder that your motorhome has an open safety recall. If this recall does not apply or has already been completed, please email recalls@tiffinmotorhomes.com.

Dear Tiffin Motorhome Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided that certain 2025 GT1 Motorhomes built between June 21, 2024, and May 13, 2025, fail to conform to Federal Motor Vehicle Safety Standard No. 209, Seat Belt Assemblies.

Certain motorhomes do not have the correct length of buckle installed on the rear bench seat of the motorhome for the passenger's and driver's side seating position. These seatbelts cannot be buckled, and an incorrectly buckled seatbelt can lead to injury.

Tiffin Motorhomes will inspect and replace as needed the buckle portion of the rear driver's and passenger's seatbelt.

Please arrange to take your motorhome to a **reputable service center OR dealer of your choice** to have the correction completed. A list of Tiffin Motorhomes authorized dealers is available online at <https://tiffinmotorhomes.com/service-center-locations>. Please allow 1 hour to have the work completed. This work will be completed at no charge to you, the owner.

Owners may be alerted to the incorrect length of buckle by checking the length of the buckle visible above the floor attachment. The incorrect length of buckle is approximately 24 inches, while the correct seatbelt has approximately 32 inches visible above the floor attachment. If the seatbelt buckle in your motorhome is the correct length on both the passenger's and driver's side rear seatbelt, you can contact Tiffin Motorhomes at recalls@tiffinmotorhomes.com or by phone at 256-356-8661, with the last 8 digits of your motorhome so the recall can be cleared from your motorhome.

Parts should be ordered when the appointment for the replacement is scheduled so that parts are ready at the dealership for the recall appointment.

If you are using a service center that is not a Tiffin Motorhomes authorized repair facility, please make sure that they contact Tiffin Motorhomes for the required parts, instructions and time allowed for the repair. Tiffin Motorhomes will not pay over the allowed time unless the repair facility receives prior authorization. For authorization, contact Tiffin Motorhomes at 256-356-0261 or service@tiffinmotorhomes.com.

You may be liable for any progressive damage that results from your failure to complete the recall within a reasonable time after receiving notification.

If owners have paid to have this repair completed, please send a copy of the invoice, that was paid by the owner to Tiffin Motorhomes at the following address: Tiffin Motorhomes, Attn: Recalls, 105 2nd Street NW, Red Bay AL 35582 or by email to service@tiffinmotorhomes.com. Please make sure the invoice lists who paid for the repair, the VIN of the motorhome and the date the repair was completed.
