This notice applies to your vehicle: «VIN»

Dear «POLKNAME»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Our records indicate
YOUR UNIT HAS NOT BEEN
REMEDIED.
Please DO NOT ignore this notice!

Keystone RV Company has decided that a defect which relates to motor vehicle safety exists in certain model 2024-2026 Voltage Fifth Wheels. As a result, Keystone RV is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

It has been decided that the vehicles in the recall population may have had the fuel lines for the generator hooked up incorrectly. Under certain conditions during operation of the generator fuel can feed into the incorrect side of the carburetor, leading to an increased risk of fire.

***What we
will do***

Keystone representatives have been in contact with the staff at your selling dealership regarding this situation. The remedy is to locate the generator, identify both fuel and vapor hoses coming from the generator to ensure proper connection, and relocate the fuel line as necessary. The service and parts required for this corrective action will be provided at no charge to you.

***What we
need you to
do***

Do not use generator until fuel line hoses are corrected. As soon as possible, please make an appointment to have your RV serviced by your dealership. The labor time to perform this correction is approximately 1 hour. Please ask your dealer if you wish to know how much additional time will be needed to schedule and process your RV for this repair.

If you have questions

Your dealer is best equipped to obtain parts and provide service to ensure your RV is corrected as promptly as possible. Please contact Keystone Customer service if your dealer is unable to assist or if you take your RV to your dealer on the agreed service date, and the dealer does not remedy the condition within a reasonable amount of time, or without charge to you. You may be eligible to receive reimbursement if you paid to have the defect resolved prior to receiving this correspondence. Keystone Customer Service is available toll-free at 1-866-425-4369.

**BE ADVISED –
Damage caused by failure to have the
recall remedy completed will be the
responsibility of the owner.**

If after contacting Keystone Customer Service you are still not satisfied we have done our best to remedy this situation, you may also submit a written complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590.
