Recall notice issued to:

Vehicle information:

2025 DODGE CHARGER 2 DOOR R/T AWD

Recall information: 63C/NHTSA 25V-574

Visit recalls.mopar.com for more information or call the FCA US Recall Team
at [1-800-853-1403](tel:1-800-853-1403)

Details of the Recall

The Electric Drive Module (EDM) on your vehicle may have been built with an incorrectly installed Park Pawl Return Spring (PPRS). An incorrectly installed spring may cause the loss of the park function when the vehicle's gear selector is placed in the Park (P) position, which can allow vehicle rollaway.

FCA US LLC will repair your vehicle free of charge (parts and labor). To do this, your dealer will replace the EDM. The estimated repair time is seven hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service.

How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Dodge, Jeep®, RAM dealer right away to schedule a service appointment.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
