

**IMPORTANT SAFETY RECALL SC0474  
NHTSA RECALL # 25V030 INTERIM**

*This Notice applies to your vehicle, see enclosed "Notice of Vehicle Recall"*

**DEAR MACK TRUCK OWNER:**

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mack Trucks, Inc. has decided that certain 2010-2018 MRU and 2019-2025 TerraPro vehicles manufactured March 12, 2009 through October 7, 2024, fail to conform to Federal Motor Vehicle Safety Standard No. 121, "Air Brake Systems."

*This is an interim letter since the repair parts and remedy procedures are not available and being developed at this time. The purpose of this letter is to explain what the recall is about and to keep you informed of Mack's implementation plan. We are currently working to secure parts to implement the Safety Recall remedy. We will send you another notification when the remedy is available.*

**SAFETY DEFECT:** Certain Mack MR and TE rigids were built as towing vehicles and do not have a driver indicator lamp/circuit to communicate and signal when there is an anti-skid braking system (ABS) malfunction on one or more towed vehicle(s), as required by FMVSS121 S5.1.6.2(b).

**SAFETY RISK:** Driving without a functioning anti-skid brake system may result in the trailer not braking as intended, increasing the risk of a crash.

**PRECAUTIONS YOU CAN TAKE:** There are no precautions you can take other than having your vehicle repaired by a Mack service center. Anti-skid braking (ABS) warning lamp and circuitry will be added to the vehicles to ensure proper function of anti-skid braking (ABS) equipped trailer. Recall repairs will be performed at no cost to you.

**TIME REQUIRED FOR THE REPAIR:** The time required to repair your vehicle is approximately 2 hours.

**WHAT YOU SHOULD DO:** You should contact the nearest Mack Parts and Service Center and make an appointment. You can locate the closest Mack Parts and Service Center by going online to <http://www.macktrucks.com/> and selecting "Dealer & Service Locations" or by calling our toll-free number: 1-800-866-1177.
