

2025 Rivian R1S & R1T
Headlamp Performance in Cold Weather

NHTSA Recall No. 25V-085
Rivian Recall No. FSAM-1612

IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN XXXXXXXXXXXXXXXXXXXX

Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Rivian Automotive, LLC has decided that certain model year 2025 Rivian R1S and R1T vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) 108 - "Lamps, reflective devices, and assoc. equipment." Our records show that you are the owner of a vehicle affected by this action.

What is the problem?

One or more headlamps, when operated in cold temperature conditions, may not illuminate at vehicle startup due to incorrectly configured parts from a supplier. Diminished lighting performance may cause reduced visibility. Reduced visibility may increase the risk of a crash.

What will Rivian do?

Rivian is working as quickly as possible to prepare the remedy plan to address this condition. We will send you another letter once repairs can begin. The recall service will be available at no cost to you.

What should you do?

You will be notified when the remedy becomes available. At that time, you will be able to schedule this repair with your Rivian Service Center. Information about this recall and the status of the remedy plan is listed on our website. <https://rivian.com/support/article/recall-information>

Do you have other questions?

If you have further questions or if you no longer own this vehicle, please call Rivian Service Support at 1-855-748-4265. For additional information please visit [NHTSA.gov/recalls](https://www.nhtsa.gov/recalls). If you believe that Rivian has failed or is unable to remedy the defect within a reasonable time or without charge, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153) or visit www.safercar.gov.

Thank you for your attention to this important matter. The quality and safety of your vehicle is of the utmost importance to us.
