NHTSA Recall #25V463

August 2025

- Remedy parts are not yet available for your vehicle.
- We will contact you again once parts are available.

Dear Mercedes-Benz Metris Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG, the manufacturer of Metris vans, has determined that certain Model Year 2020-2023 Metris vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 111, "Rearward Visibility."

Our records indicate that your vehicle is included in the affected population of vehicles.

What is the Concern?

The electrical connection to the infotainment system might fail to power the infotainment system.

As a consequence, the rearview camera image might be temporarily unavailable, which could decrease visibility and increase the risk of a crash.

Unfortunately, the parts to remedy this are not yet available.

We are working to obtain the necessary parts to correct this condition as quickly as possible. As parts become available, we will send you another letter instructing you to take your vehicle to an authorized Mercedes-Benz dealer to have the recall completed free of charge.

A vehicle identification number (VIN)-based recall lookup tool on our website offers a search function that will indicate whether a vehicle has been subject to a safety recall, and whether that vehicle has had the free remedy performed.

Please visit www.mbvans.com/en/recall-information. Should you have any questions or encounter any difficulty regarding this Recall Campaign, please contact an authorized Mercedes-Benz dealer. If for any reason a dealer is unable to remedy your situation, we are always happy to hear from you. Please contact us at 1-(800) FOR-MERCEDES (1-800-367-6372).

In the event that you are no longer the vehicle owner, or have had a change of address, please complete the reverse side and return the updated information in the enclosed envelope. If this is a leased vehicle and the lessor and registered owner receive this notice, please forward this information by first class mail to the lessee within 10 business days to comply with Federal Regulations.

We apologize for any inconvenience this may have caused and look forward to taking care of this important safety issue immediately.

Sincerely,
Mercedes-Benz USA
