Service Bulletin Number: MTB 55379

## IMPORTANT SAFETY RECALL

November 2025

This notice applies to your vehicle: [REDACTED]

Dear [REDACTED],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Honda has decided that certain 2020-2022 and 2024-2025 model year CRF1100 Africa Twin motorcycles fail to conform to Federal Motor Vehicle Safety Standard No. 108, "Lamp, Reflective Devices and Associated Equipment."

**Why my vehicle is under recall:** Oxide can build up in the left handlebar switch harness, resulting in loss of the ability to sound the horn and/or switch the headlight from low beam to high beam. A non-functioning horn reduces the rider's ability to warn others, and the inability to use the high beam can reduce the ability to see sufficiently far down the road— both of which increase the risk of a crash or injury.

**What Honda will do:** The replacement parts needed to repair your motorcycle currently are not available but are expected to become available in January of 2026. Honda will send you a follow-up letter when replacement parts are available so you can then bring your motorcycle in for repair. The dealer will then replace the left handlebar switch assembly with an improved part, for **FREE**.

**What we need you to do:**

We ask for your patience while we prepare replacement parts. Once you receive a follow-up letter from Honda notifying you that replacement parts are available, please call any authorized Honda Powersports dealer and make an appointment to repair your vehicle.

If you are not the only rider of this motorcycle, please advise all other riders and passengers of this important information.

- Check recall information for your motorcycle by accessing the Honda recall lookup tool at <https://powersports.honda.com/recalls> and entering your Vehicle Identification Number (VIN).
- If you have questions or concerns, we encourage you to:
  - visit <https://powersports.honda.com/recalls>; or
  - contact your local Honda Powersports dealer; or
  - send Customer Relations a message via <https://powersports.honda.com/contact-us>; or
  - call American Honda's Powersports Customer Relations at 1-866-784-1870 Monday through Friday, 8:30 a.m. to 4:30 p.m., Pacific Time.

If you paid out of pocket to have these specific recall repairs performed on your vehicle, you may be eligible for reimbursement; please contact American Honda's Powersports Customer Relations at 1-866-784-1870 to determine potential eligibility and for instructions on how to request reimbursement.

If you no longer own this vehicle or if any of the information is not correct, please complete and return the enclosed prepaid Information Change Card as soon as possible. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you believe that American Honda or the dealer has failed or is unable to remedy the defect in your vehicle, without charge and within a reasonable period of time (60 days from the date you first contact the dealer for a repair appointment), you may submit a complaint to the Administrator, National Highway Traffic Safety Administration (NHTSA), 1200 New Jersey Ave., SE, Washington, DC 20590. Alternatively, you may call the NHTSA toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to <http://www.safercar.gov>.

We sincerely apologize for any inconvenience this recall may cause, but please be assured that your safety is our first concern.

Sincerely,

American Honda Motor Co., Inc.
