**2023 401 SVARTPILEN**  
**2023 401 VITPILEN**

Dear Husqvarna motorcycle customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Husqvarna Mobility North America, Inc. has determined that a defect which relates to motor vehicle safety exists with certain 2022 and 2023 401 SVARTPILEN and 401 VITPILEN motorcycles.

On certain motorcycles, water could enter the throttle (e-throttle) control unit and cause it to fail.

A loss of engine power increases the risk of a crash.

To ensure the highest level of safety, performance, reliability and customer satisfaction, to remedy this defect, it is necessary to replace the e-throttle assembly on all affected motorcycles.

The remedy for this recall is not yet available due to the replacement e-throttle assembly not being available. Therefore the e-throttle assembly replacement on affected motorcycles can't be performed at this time.

Once e-throttle assemblies are available, you will be informed again by mail to contact an authorized Husqvarna motorcycles dealer to schedule the replacement of the e-throttle assembly on your motorcycle.

If you have any questions related to the content of this letter, please contact Husqvarna Mobility North America, Inc. Customer Relations at (888) 985-6090 for assistance.

If your dealer fails or is unable to remedy this defect without charge, or within a reasonable amount of time, you may submit a written complaint to Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590 or call 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.nhtsa.gov>

We apologize for any inconvenience and want to assure you that our commitment together with all Husqvarna Dealers is to provide you with the highest level of service, support and customer satisfaction.

Best Regards,  
Dealer Services Department
