DEALERSHIP INSTRUCTIONS

Please reference Safety Recall 14C.

IMPORTANT SAFETY RECALL

Airbag Warning Light - Clockspring

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2021-2022 Model Year (DS) Ram 1500 Classic vehicles, 2021-2022 Model Year (DJ) Ram 2500 vehicles, 2021-2022 Model Year (D2) Ram 3500 vehicles, 2021-2022 Model Year (DD) Ram 3500 Cab Chassis vehicles, 2021-2022 Model Year (DF) Ram 3500 Cab Chassis vehicles, with a gross vehicle weight rating (GVWR) less than 10,000 lbs., 2021-2022 Model Year (DP) Ram 4500 Cab Chassis vehicles, and 2021-2022 Model Year (DP) Ram 5500 Cab Chassis vehicles] vehicles fail to comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 208 - Occupant crash protection.

WHY DOES MY VEHICLE NEED REPAIRS?

The Steering Column Control Module (SCCM) on your vehicle ^[1] may have been built with an insufficient weld between an internal flexible flat cable (FFC) and busbar, which can illuminate the airbag warning light and stop a deployment signal from the Occupant Restraint Controller from reaching the driver airbag module, preventing airbag deployment when directed. **An airbag that does not deploy when intended may result in increased risk of injury to the driver in certain crashes.**

The condition above fails to comply with the requirements of FMVSS No. 208 which requires driver's airbag deployment during certain crash events. Suspect SCCMs may prevent airbag deployment during these events.

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

The remedy for this condition is not currently available. We are making every effort to finalize the remedy, and will service your vehicle free of charge (parts and labor) when the remedy is available.

FCA US LLC will contact you again, by mail, with a follow-up recall notice when the remedy is available. Once you receive your follow-up notice, simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service appointment ^[2]. Additional options for your next steps are included on the left side of this notification. We appreciate your patience.

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online ^[3]. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
