**Title**

BMW Safety Recall 25V-556: Windshield Seal

**Text**

This safety recall involves the sealing of the windshield to the vehicle, which may not have been performed according to specifications. Water could leak into the vehicle and contact certain electronic components. The headlamps could be affected and, if so, visibility could be reduced, increasing the risk of a crash. Also, this could lead to a short-circuit and, if near a combustible source, a fire while parked or driving, increasing the risk of injury.

Contact an authorized BMW center immediately to get your vehicle repaired for FREE. Dealer locator: [bmwusa.com/dealer](http://bmwusa.com/dealer).

Advise all drivers of this important information.
