

**2024-2025MY SORENTO & 2025MY SORENTO HEV/PHEV**  
**Exterior Lamps**  
**Basis of Noncompliance Determination 573.6(c)(7)**

January 7, 2025	Kia Corporation (Kia HQ) informs Kia North America (Kia NA) Safety Office of its January 6 <sup>th</sup> decision to recall certain 2024-2025MY Sorento and certain 2025MY Sorento Hybrid and Sorento Plug-in Hybrid vehicles in the Korean market to address the momentary loss of certain exterior/interior lighting while driving due to a software logic error that may occur under certain circumstances.
January 7, 2025— January 8, 2025	<p>Kia NA Safety Office field data analysis finds no reports of potentially related momentary loss of exterior/interior lighting while driving.</p> <p>Kia NA completes regulatory review and identifies that momentary loss of the low-beam headlamp and tail lamp illumination does not meet the illumination requirements of FMVSS 108.</p>
January 8, 2025	Kia NA Safety Office decides to conduct a non-compliance recall of certain 2024-2025MY Sorento vehicles and certain 2025MY Sorento Hybrid and Plug-in Hybrid vehicles. No crashes, injuries or fatalities.
