With sunny skies and warmer weather upon us, we are sending a reminder for recall REC-2501 to be completed at your earliest convenience.

We recommend disconnecting the charge controller as soon as possible if the recall has not been performed. **This can be completed by a mobile tech if needed and is covered by your warranty.**

If recall, REC-2501 has not been accomplished or you need assistance having it completed and your VIN corresponds with the listing below, please contact our care team at 574-501-4280 or [CustomerCare@BrinkleyRV.com](mailto:CustomerCare@BrinkleyRV.com) as they stand ready to help!

Thank you!"
