SUBJECT: GSX-S1000S, DL1050 Headlamp Recall Campaign

Dear Sirs and Madams,

This letter is to inform you of "Headlamp Recall Campaign" for GSX-S1000S and DL1050.

We were informed from our supplier that Headlamp installed to affected vehicles may have not complied with FMVSS/ CMVSS.

Due to non-compliance of FMVSS/ CMVSS, Suzuki Motor Corporation (SMC) has decided to carry out the recall campaign in your market to replace the headlamps with ones that complied with FMVSS108/CMVSS108. The details are explained in the following pages.

You are kindly requested to organize the Recall Campaign for the affected units in your market. If you are required to report to your authority, please contact them according to your law.

As countermeasure is not available yet, SMC requests you to stop selling stock motorcycle before repair is completed.

We sincerely apologize for any inconvenience this may cause to you.
Your kind understanding and cooperation will be highly appreciated.

Very truly yours,

Shinji Ishikawa
