On affected vehicles, dealers will create an access hole in the side of the door to remove the existing retainer clip, install a new retainer clip and add a secondary retainer to the tension rod and submit for payment of the labor charges. Grand Design dealers have been notified of this recall and have the required repair instructions available. Repair time is estimated to take no more than 1 hour. There will be no charge for this service through your Grand Design dealership.

Owners of affected vehicles will be notified of this recall by mail from Grand Design RV. A copy of the Owner Notification Letter is attached for your reference. Also attached is a list of your retail sold and stock units affected by this recall. Finally, please find attached the repair and claim filing instructions associated with this recall action.

Under Title 49, Section 30112 of the United States Code, a dealer cannot sell, offer for sale, or introduce or deliver for introduction in interstate commerce a new motor vehicle when it is aware that the vehicle does not comply with an applicable Federal Motor Vehicle Safety Standard or contains a defect related to motor vehicle safety. Further, 49 Code of Federal Regulations §577.13 requires us to provide the following advisory: It is a violation of Federal law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by this notification under a sale or lease until the defect or noncompliance is remedied.

Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact Grand Design Technical Support at 574-825-6264 or 888-825-2820 and select the phone prompt for "Recall".
