Safety Recall

*** Solution**

*** PARK OUTSIDE ADVISORY ***

Owners are advised to park their vehicle outside and away from structures until the recall remedy is completed by updating the vehicles software to version 2.10.0 or later.

This recall and Park Outside Advisory is applicable to your vehicle.

A Safety Recall and Park Outside Advisory was recently issued for certain model year 2022 - 2026 vehicles. The remedy for this safety recall is contained in software version 2.10.0 (remedy version).

Your vehicle's software is substantially out-of-date and may require a visit to a Lucid Service Center for assistance with updating to 2.10.0 or later. Depending on its condition, your vehicle may require additional service or repairs to enable this important recall update.

It is highly recommended to always keep your vehicle's software up to date to benefit from the latest improvements and features as well as timely installation of important safety related updates.

All recall remedy software updates are provided at NO COST to customers.

If you no longer own this vehicle, please send notice to Lucid Customer Care at customercare@lucidmotors.com.
