Sam Catalano
Rennline Automotive

Subject: Lower Control Arm May Damage Subframe

Dear Sam Catalano:

This letter serves to acknowledge Rennline Automotive's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Brand/Model/Part Number:
Rennline/Lower Control Arm

Mfr's Report Date: August 24, 2026

NHTSA Campaign Number: 26E060

Components:
SUSPENSION:FRONT:CONTROL ARM:LOWER ARM

Potential Number of Units Affected: 106

Problem Description:
Rennline Automotive (Rennline) is recalling certain lower control arms, with part number S180. The lower control arm may have been manufactured with incorrect dimensions, causing damage to the subframe.

Consequence:
A damaged subframe may lead to a loss of steering control, increasing the risk of a crash.

Remedy:
Rennline will replace the lower control arm or provide reimbursement, free of charge. Owner notification letters were mailed July 22, 2026. Owners may contact Rennline customer service at 1-213-224-7393.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

Risk Identification Not Supplied

Identify and describe the risk to motor vehicle safety related to the defect or noncompliance as required by 49 CFR 573.6 (c)(5). All filings should state an increased risk of either a crash, injury, or fire, and should be provided in an amended Part 573 Recall Report through the NHTSA Recalls Portal.

AMENDED 573 REQUIRED.

Part 577 Owner Letter Mailed without Draft Review

Provide the date(s) for which your company notified owners regarding this safety recall as required by (49 CFR 573.6 (c)(8)(ii), in an amended Part 573 Recall Report through the NHTSA Recalls Portal, using the "Planned Remedy Owner Notification Date" fields. As a reminder, if it becomes necessary to do a renotification, the follow-up notification must be submitted to this office for review and it must comply with the requirements of Part 577.5, "Notification pursuant to a manufacturer's decision" and Part 577.10, "Follow-up notification."

AMENDED 573 REQUIRED.

Reimbursement Plan Not Supplied

Provide a plan for reimbursing an owner or purchaser who incurred costs to obtain a remedy for the problem addressed by the recall within a reasonable time in advance of your company's notification of owners, purchasers, and dealers, in accordance with 49 CFR 573.13. Your company's plan may incorporate by reference a general reimbursement plan previously submitted to NHTSA, together with information specific to the individual recall. If your company submits one or more general reimbursement plans, your company shall update each plan every two years (49 CFR 573.13). If the vehicles are new and would be covered under the manufacturer's warranty program, please state that in the reimbursement section of an amended Part 573 Recall Report through the NHTSA Recalls Portal.

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for

sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Rennline Automotive's contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
