Subject: Incorrectly Wired Rear Turn Signals/FMVSS 108

Dear Brandie Lamb:

This letter serves to acknowledge Gulf Stream Coach, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

GULF STREAM/TRAIL BOSS/2026
GULF STREAM/AMERI-LITE/2026

Mfr's Report Date: January 15, 2026

NHTSA Campaign Number: 26V010

Components:

EXTERIOR LIGHTING:TURN SIGNAL

Potential Number of Units Affected: 172

Problem Description:

Gulf Stream Coach, Inc. (Gulf Stream) is recalling certain 2026 Trail Boss and Ameri-Lite trailers. Wires in the taillight harness may be reversed, causing the turn signals to activate in the opposite direction as the driver intended. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

Turn signals that fail to indicate the driver's intention to change direction increase the risk of a crash.

Remedy:

Owners are advised not to tow their trailers until the repair has been completed. Dealers will rewire the turn signals, free of charge. Owner notification letters are expected to be mailed January 19, 2026.

Owners may contact Gulf Stream customer service at 1-800-289-8787. Vehicle Identification Numbers (VINs) involved in this recall will be searchable on NHTSA.gov beginning January 31, 2026.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Gulf Stream Coach, Inc.'s contact for this recall will be Hensly Guerra who may be reached by email at hensly.guerra1@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
