Dear Charlie Webb:

This letter serves to acknowledge Lucid USA, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

LUCID/AIR/2022-2026

**Mfr's Report Date:** January 16, 2026

**NHTSA Campaign Number:** 26V017

**Components:**

BACK OVER PREVENTION:SOFTWARE

**Potential Number of Units Affected:** 10,816

**Problem Description:**

Lucid USA, Inc. (Lucid) is recalling certain 2022-2026 Air vehicles equipped with an AD02 package and operating a software version from 2.8.0 through 2.8.16. The rearview camera image may not display when the vehicle is placed in reverse. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 111, "Rear Visibility."

**Consequence:**

A rearview image that does not display reduces the driver's view behind the vehicle, increasing the risk of a crash.

**Remedy:**

Lucid has released an over-the-air (OTA) software update, free of charge. Owner notification letters are expected to be mailed March 13, 2026. Owners may contact Lucid at 1-888-995-8243. Lucid's number

for this recall is SR-26-01-0.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

We have received your proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

**Please be reminded of the following requirements:**

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
