Subject: Rear Coil Springs May Detach

Dear Karen Blaesser:

This letter serves to acknowledge Chrysler (FCA US, LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

JEEP/GRAND CHEROKEE/2022-2023
JEEP/GRAND CHEROKEE L/2021-2023

Mfr's Report Date: January 29, 2026

NHTSA Campaign Number: 26V051

Components:

SUSPENSION:REAR:SPRINGS:COIL SPRINGS

Potential Number of Units Affected: 80,620

Problem Description:

Chrysler (FCA US, LLC) is recalling certain 2021-2023 Jeep Grand Cherokee L and 2022-2023 Jeep Grand Cherokee vehicles. The rear coil springs may be incorrectly installed and detach from the vehicle while driving.

Consequence:

Rear coil springs that detach from the vehicle while driving increase the risk of a crash.

Remedy:

Dealers will inspect and repair the rear coil spring assembly, as necessary, free of charge. Interim notification letters, notifying owners of the safety risk, are expected to be mailed February 12, 2026. Additional letters will be sent once the final remedy is available, anticipated in March 2026. Owners may

contact FCA US, LLC customer service at 1-800-853-1403. FCA US, LLC's number for this recall is 20D. Vehicle Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on January 30, 2026. This recall replaces NHTSA recall number 23V413. Vehicles already repaired under the previous recall will need to have the new remedy completed.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Chrysler (FCA US, LLC)'s contact for this recall will be Emily Smith who may be reached by email at emily.c.smith@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
