Subject: High Voltage Battery Fire Risk

Dear Vincent D'Auria:

This letter serves to acknowledge Volvo Car USA, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

VOLVO/EX30/2025

Mfr's Report Date: February 20, 2026

NHTSA Campaign Number: 26V103

Components:

ELECTRICAL SYSTEM:PROPULSION SYSTEM:TRACTION BATTERY

Potential Number of Units Affected: 189

Problem Description:

Volvo Car USA, LLC (Volvo Car) is recalling certain 2025 EX30 vehicles. The high voltage battery may experience a short circuit and overheat.

Consequence:

A high voltage battery that overheats increases the risk of a fire.

Remedy:

Owners are advised to limit their charge to a maximum of 70% until the recall repair is complete. Dealers will inspect and replace the battery modules as necessary, free of charge. Owner notification letters are expected to be mailed April 21, 2026. Owners may contact Volvo Car's customer service at 1-800-458-1552. Vehicle Identification Numbers (VINs) involved in this recall became searchable on

NHTSA.gov on February 23, 2026. This recall replaces and expands previous NHTSA recall number 26V001.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

Involved Component Not Supplied

Provide the part number and description of the component(s) involved in this recall as required by 49 USC § 30119 in an amended 573 in the "Involved Components" section through the NHTSA Recalls Portal.

AMENDED 573 REQUIRED.

Reimbursement Plan Not Supplied

Provide a plan for reimbursing an owner or purchaser who incurred costs to obtain a remedy for the problem addressed by the recall within a reasonable time in advance of your company's notification of owners, purchasers, and dealers, in accordance with 49 CFR 573.13. Your company's plan may incorporate by reference a general reimbursement plan previously submitted to NHTSA, together with information specific to the individual recall. If your company submits one or more general reimbursement plans, your company shall update each plan every two years (49 CFR 573.13). If the vehicles are new and would be covered under the manufacturer's warranty program, please state that in the reimbursement section of an amended Part 573 Recall Report through the NHTSA Recalls Portal.

AMENDED 573 REQUIRED.

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Volvo Car USA, LLC's contact for this recall will be Debora Crews who may be reached by email at debora.crews@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
