EQUIPMENT:OTHER:OWNERS/SERVICE/OTHER MANUAL

Potential Number of Units Affected: 661

Problem Description:

Hino Motors Sales U.S.A., Inc. (Hino) is recalling certain 2026 NV7G, NV7D, NJ7E, NJ7D, NH7K, NE7D, and NH7G vehicles. The owner's manual may include incorrect maintenance instructions about how to retighten U-bolts.

Consequence:

Referencing incorrect information may lead to unintentionally overtightening the U-bolts. The bolts can break, shifting the axle and leaf springs and increasing the risk of a crash.

Remedy:

Dealers will replace the owner's manual, free of charge. Owner notification letters are expected to be mailed May 22, 2026. Owners may contact Hino customer service at 1-248-699-9390. Hino's number for this recall is M0490.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
